

The image shows a rectangular template for a document or brochure. It features a solid black outer frame. Inside this frame is a red dotted line representing the cutting bleed. Within the red dotted line is a blue dotted line representing the text area. The blue dotted line is divided into five vertical columns of varying widths. The first column is the widest, followed by a narrower column, then a wider column, then a very wide column, and finally a narrow column on the right. The red dotted line extends slightly beyond the blue dotted line on all sides. At the bottom of the template, there is a line of text in blue and black.
